Important Notes/Glossary:
- NA means the school does not want it.
- SSAR = Self-reported Student Academic Record – the student enters all courses and grades attempted for high school and/or college credit. Must be linked to your application, link through the email from the University or through the Universities application portal. This must be accurate, best practice is to have an unofficial transcript in front of you.
- SPARK – Self-Provided Academic Record. UCF's version of SSAR. Access link in Future Knight Portal. If you applied through the institutional application, you will create your Future Knight Portal then go to the application. If you applied through Common Application, you will be emailed a link and directions for creating the Future Knights Portal AFTER you submit your application.
- FASTER – the state system for sending transcripts. You must visit your high school guidance office and request an electronic transcript be sent to the university. Transcripts take 5-7 business days to be received by the University.
- SAT/ACT – Sent directly from agency means you must log into your SAT (collegeboard.org) or ACT (act.org) account and request your scores be sent. There will be a cost unless you used a fee waiver when registering to test.

AA degrees for graduating seniors: A high school student earning dual enrollment credit and/or an AA degree in high school is considered a First-Time In College (FTIC) student and should submit an application as a first-year/freshmen student, **not** as a transfer student. Earning the AA while in high school does not guarantee admission into a specific state university. The ONLY time you apply as a transfer student is if you have earned 12 college credit hours or more AFTER high school.

Florida Student Scholarship and Grant Programs: Students must submit a completed Florida Financial Aid Application (FFAA) to the Office of Student Financial Assistance for programs such as the Florida Bright Futures Scholarship Program, Jose Marti and Scholarships for Children and Spouses of Deceased or Disabled Veterans. Please visit www.floridastudentfinancialaid.org. Application opens October 1.

FAFSA: Free Application for Federal Student Aid: For the 2024 school year this application will not open until December. Universities request you complete as soon as possible in December to receive a complete financial award letter.

The Talented Twenty Program: The Talented Twenty Program is Part of the Governor's Equity in Education Plan. The purpose is to guarantee admission to students who succeed in their respective K-12 public schools and to encourage students to strive for better grades and a rigorous curriculum. The Florida Department of Education and Florida Board of Governors has created a Frequently Asked Questions document to assist public school counselors with navigating the process. Please visit www.fldoe.org/schools/family-community/activities-programs/talented-twenty-program/ for details and step-by-step instructions.
